Calling All Employers!

Differentiate your company from your competition by providing your employees with a health benefit like no other.

Benefits for Employees

Saves Out of Pocket Costs

Reduced visits to the PCP, urgent care, and ER

Saves Time

Eliminates travel and wait time, including time away from work

Accessible 24/7/365

When urgent care is closed, EZaccessMD is open

Benefits for Employers

Lowers Claims

More is done on day one to ensure a cost-efficient care cycle

Less Absenteeism

Greater employee productivity

Improve Recruiting and Retention

Win the talent war

All Inclusive Price

Cover your employees and their families at just **\$12** per employee per month. Pricing is utilization-driven, so you only pay for what your employees use!

Higher Care, Lower Cost

We will come to your employees' homes or office and do **85%** of what can be done in an urgent care setting, all at no cost. Avoid costly low acuity visits to the PCP, urgent care, and ER.
